STAY HYDRATED

Amazake, known as "drink version of an IV drip," is non-alcoholic. Increased absorption efficiency with electrolyte balance design.

KIDNEY SUPPORT

Silkfull adsorbs and excretes ammonia and cholesterol in the intestines. Together with hydration, it supports kidney health.

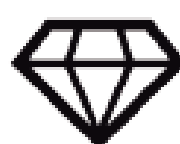

GUTS HEALTH SUPPORT

It contains isomalto-oligosaccharides, which are food for bifidobacteria and improves the intestinal environment.

MADE IN JAPAN

Jointly developed with Fukumitsuya, which has a history of 400 years in Kanazawa. Uses Kanazawa's natural water.

BODY-FRIENDLY INGREDIENTS

Low protein, low phosphorus. No preservatives, sweeteners or flavors. Only rice, rice koji, and natural salt.

WHAT IS SILKFULL?

Succussed liquefaction while retaining the porous structure of silk(Patented method)Adsorbing ammonia and cholesterol.

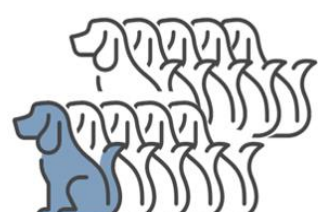

Tasteless, Odorless, Transparent material, it can be used in a wide range of applications.

The silk used is organic silk certified by GOTS, an international certification organization.

FERMENTED RICE MILK

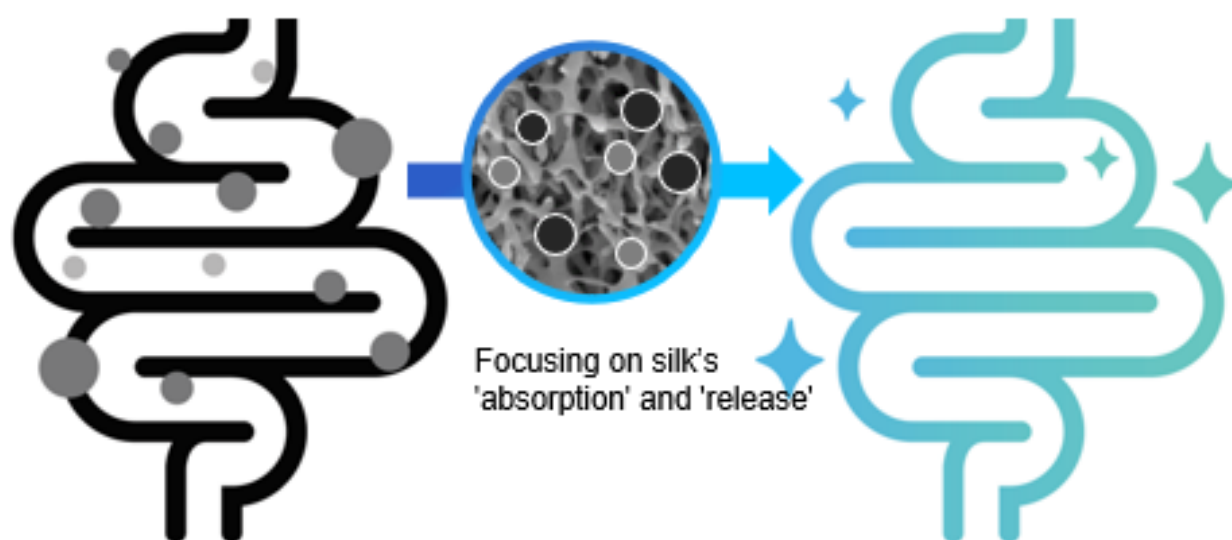

CKD Problem Ratio

1/10
Dog

1/3
Cat

By absorbing and removing waste products from the body, it can help prevent kidney disease and stop it from getting worse after it occurs.
